

Congrats!

HERE ARE YOUR NEXT STEPS

1

BIBLE READNG

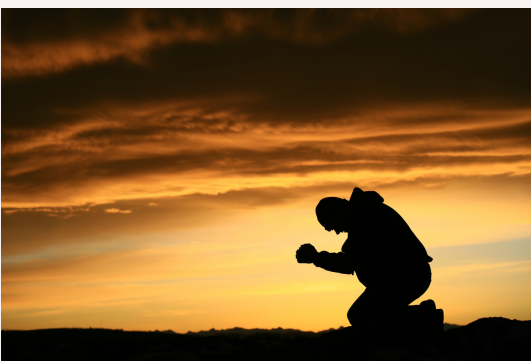

One of the best ways to get to know God is through reading the Bible. We encourage you to read the Bible daily. A good suggestion is biblegateway.com. You can use the Kings James Version, or the New King James Version.

2

NEW BELIEVERS' CLASS

We have a New Believers' class every Tuesday at 6:00pm on Zoom. Just go to our website at www.powerwithgodministries.org and click on the link for New Believers class to join us. Be sure to RSVP so that we know you will be coming!

3

PRAYER

Prayer is talking to God. The same way that you speak to another human being is the same way that you speak to God. We encourage you to make some time throughout your day to speak with God about any and everything that is on your heart.

4

FELLOWSHIP

Joining a fellowship of believers in Jesus is of utmost importance to your growth in knowing God. Our main worship service is on Sundays at 9:30am. We are live online at our Facebook page (<https://www.facebook.com/groups/pwgmin>). We also have in-person service at 4111 Snyder Avenue, (between Albany Ave. and East 42nd Street), Brooklyn, NY 11203. Feel free to join us, we would love to meet you.
